Chorus Call is an **employee owned company** and all of the services we offer are built in house. We're also a global family of companies with offices in major business centres around the globe. We work together as a team, both locally and internationally, to ensure our clients receive the highest quality service in our industry.

We are proud of the quality and innovation we offer our clients, and understand that selecting a service provider can be difficult.

That's why we are offering you a free trial for 30 days, risk free.
